

EU Login – European Commission Authentication Service

What is EU Login?

The **EU Login** Authentication Service (previously **ECAS**) is a point for user authentication to a wide range of Commission information systems.

If you already have an ECAS account, you don't have to create a new EU Login account. In EU Login, your credentials and personal data remain unchanged. You can still access the same services and applications as before. You just need to use your e-mail address for logging in.

It is the first step before registering as an organisation or individual when accessing certain IT Tools such as **URF**, **MT+**, **OEET** or **Project Results Platform**.

Every time you want to use a website that requires EU Login authentication, you will automatically be transferred to the EU Login page, where you will be asked to enter your user name and password. Depending on the security level required by the application which the user is accessing, single-factor (username + password) or multi-factor (username + password + challenge) authentication will have to be provided by the end-user.

If you are a new user, before you register as an organisation or individual, you must have an **EU Login** account. The account will become inactive after 6 months, but is still accessible and you will be prompted to create a new password.

How to use EU Login?

URL

If you don't have an EU Login account please use the following link

<https://webgate.ec.europa.eu/cas/eim/external/register.cgi>

If you already have an user account for EU Login please login via

<https://webgate.ec.europa.eu/cas/login>

General "EU Login" screen

1. The website uses cookies. This allows you to log in to different applications without re-entering your credentials. Once you have logged into EU Login you will **not** have to identify yourself again as long as you leave your browser open. If you have chosen the option for your browser not to accept such cookies, you will not benefit from this feature.

2. The old ECAS authentication service has been redesigned and renamed as EU Login. Click the **Where is ECAS** button to get more information about the update.

3. The EU Login screens are offered in all official languages of the EU. Use the drop-down menu in order to switch between languages.

4. If you already have an EU Login account, use your e-mail address to sign in.

5. If you don't have an account yet, you can create one by clicking on the **Create an account** hyperlink.

6. The EU Login offers the possibility to authenticate using a social network (Facebook, Twitter and Google) in order to access European Commission applications without having to create an EU Login account. This option is only possible for external users and is enabled for some applications that are open to the public

Be aware that the IT tools that are used in the Erasmus+ programme **do not** support the authentication via social networks. Only authentication with e-mail address is possible.

7. If you wish to link your eID (eletronic ID) to your EU Login account, click on the **Select your country** button.

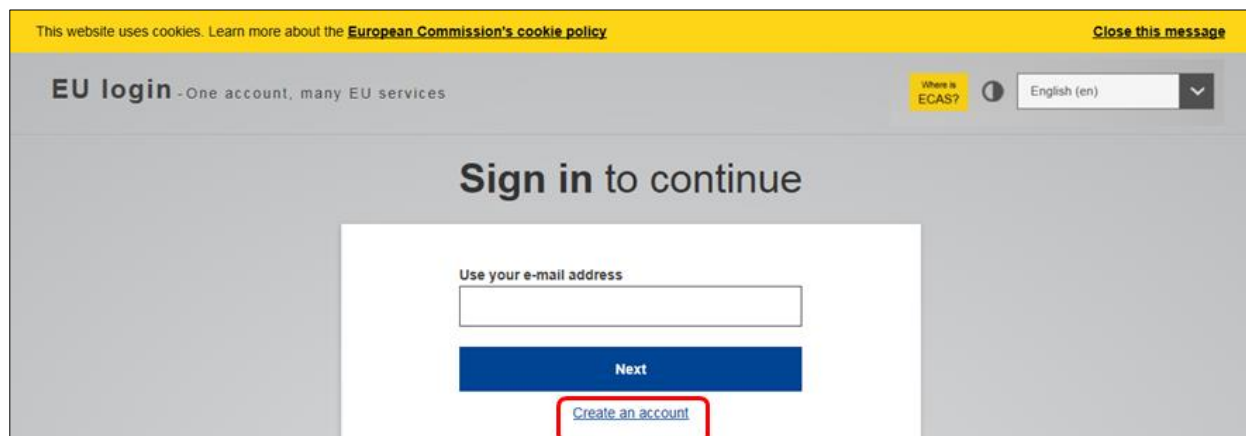

Take into account that there still might be screens in which you see the previous ECAS design. This is a normal behaviour and all screens will soon be adapted to the new EU Login look and feel.

Create a new "EU Login" account

Click the "Create an account" hyperlink

In order to create a new account, click on the **Create an account** hyperlink.

If you already have an ECAS account, you don't have to create a new EU Login account. In EU Login, your credentials and personal data remain unchanged. You can still access the same services and applications as before. You just need to use your e-mail address for logging in.

Fill in the details to create an "EU login" account

1. **First name** - Insert your first name.
2. **Last name** - Insert your last name.
3. **E-mail** - Insert your email address. Please remember this must be the same e-mail address provided to the National Agency or DG EAC (for example in your Project Application Form) and it should be valid and active.
4. **Confirm e-mail** - Confirm with the same e-mail address above.
5. **E-mail language** - Choose the language from the drop-down menu.
6. **Enter the code** - Enter the code visible on the screen in the field. If the code is illegible, click the refresh button for another code, or click the play button to listen to an audio version of the code.
7. **Privacy Statement check-box** - This check-box must be clicked before creating an account.

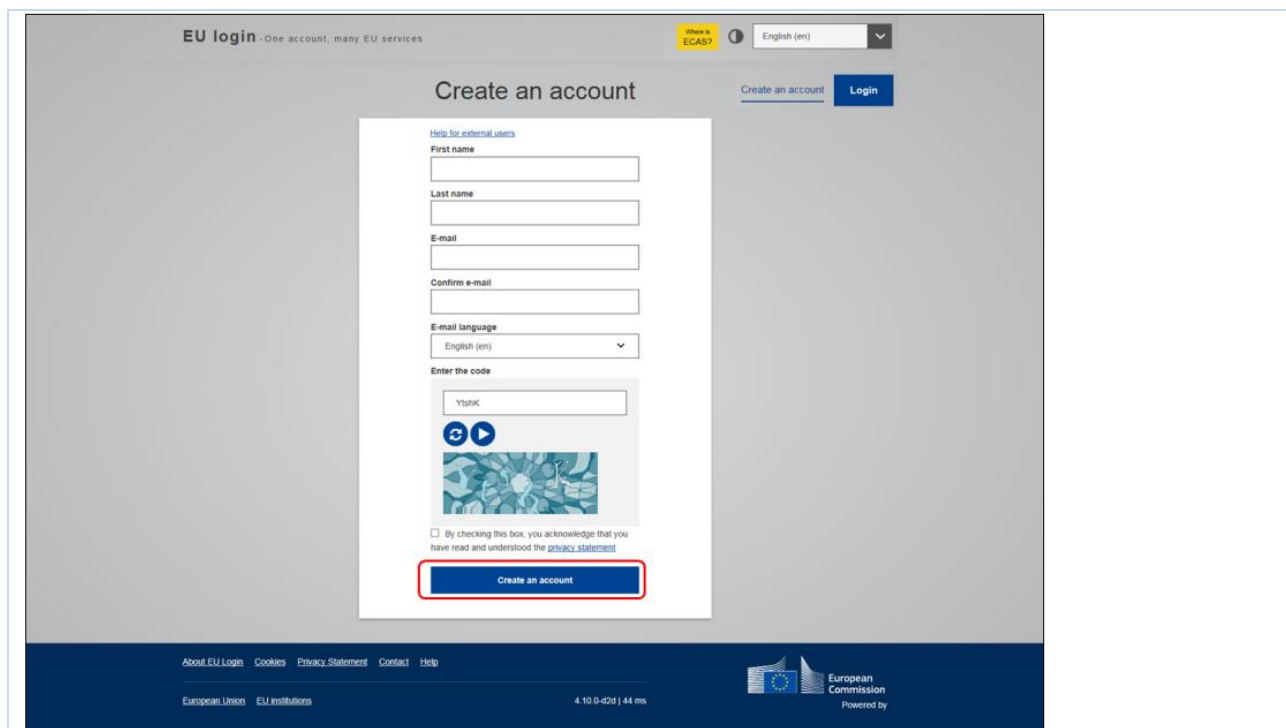

The screenshot shows the 'EU login - One account, many EU services' interface. At the top right, there is a language selector set to 'English (en)'. The main heading is 'Create an account', with 'Create an account' and 'Login' buttons to its right. A central white box contains the registration form with the following fields and annotations:

- 1. First name: Text input field.
- 2. Last name: Text input field.
- 3. E-mail: Text input field.
- 4. Confirm e-mail: Text input field.
- 5. E-mail language: Drop-down menu showing 'English (en)'.
- 6. Enter the code: Text input field containing 'Yshik', with a refresh button (circular arrow) and a play button (triangle) below it. Below the input field is a security image of a globe.
- 7. A checkbox with the text: 'By checking this box, you acknowledge that you have read and understood the [privacy statement](#)'.

At the bottom of the form is a blue 'Create an account' button. The footer of the page includes links for 'About EU Login', 'Cookies', 'Privacy Statement', 'Contact', and 'Help'. It also features the European Union flag and the text 'European Commission Powered by'.

Click the "Create an account" button

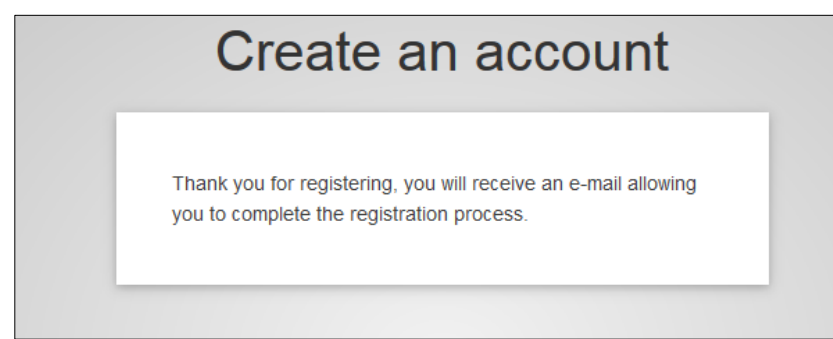

Once you have filled in the details, click on the **Create** an account button.

Click the link in your e-mail

Once you have registered, you will receive an e-mail with your **user name** and a link for creating your **password**. You have a maximum of 24h, starting from the time that this message was sent, to create your password, but you are encouraged to do so immediately, if possible. After this time, you can make another request by following the same link: you will then need to re-enter your user name and confirm your request.

Click on the link in your e-mail.

Create your password

Once you click on the link, new screen will open, allowing to get a password. Enter and confirm your password and click on the **Submit** button.

New password

Please choose your new password.

nkarkize
(External)

New password

Confirm new password

Submit

Passwords cannot include your username and must contain at least 10 characters chosen from at least three of the following four character groups (white space permitted):

- Upper Case: A to Z
- Lower Case: a to z
- Numeric: 0 to 9
- Special Characters: !"#%&'()*+,-./:;<=>?@[|_`{}~

Examples: 5QVVgXArcj jZvIMRvH_yVibvnies]

[\[Generate other sample passwords\]](#)

Password Tip

Remember that a strong password:

- must be at least 10 characters long,
- may not contain your user name (login) or any part of your full name,
- must be changed every 3 months (a reminder is automatically sent 15 days before the expiry date)
- should never be the same as any of your last 5 passwords.

Click on "Proceed" to log-in

Click on the **Proceed** button in order to log-in to EU Login.

New password

Your EU Login password was successfully changed.

Proceed

A new screen will open informing you about successful login to EU Login.

Successful login

You are now logged in to EU Login.

To stop the automatic single sign-on, click [Logout](#) or close all browser windows.

Sign in to "EU Login" (previously ECAS) account

Enter your institution's e-mail address in order to sign in. This must be the same e-mail address provided by you while creating your EU Login (previously ECAS) account. The message informing you of your access is sent to this address.

After entering the e-mail, click on the **Next** button.

Sign in to continue

Use your e-mail address

Next

[Create an account](#)

Or use the eID of your country

 [Select your country](#)

For applications used in Erasmus+ only authentication with **e-mail address** is possible!

Once clicking on **Next**, a new screen will be displayed:

1. You will see your e-mail address displayed on the screen.
2. Enter your **password**.
3. You can choose a different **Verification method**. The EU Login allows a verification mechanism based on multi-factors (i.e. Mobile phone + SMS, Token, EU Login or ECAS Mobile App). Make sure you have added the devices to your account if you wish to use an alternative authentication than e-mail.
4. After entering your password, click on the **Sign in** button.

Your EU Login password was successfully changed.

Click **Proceed** below to continue to Participant Portal

Proceed

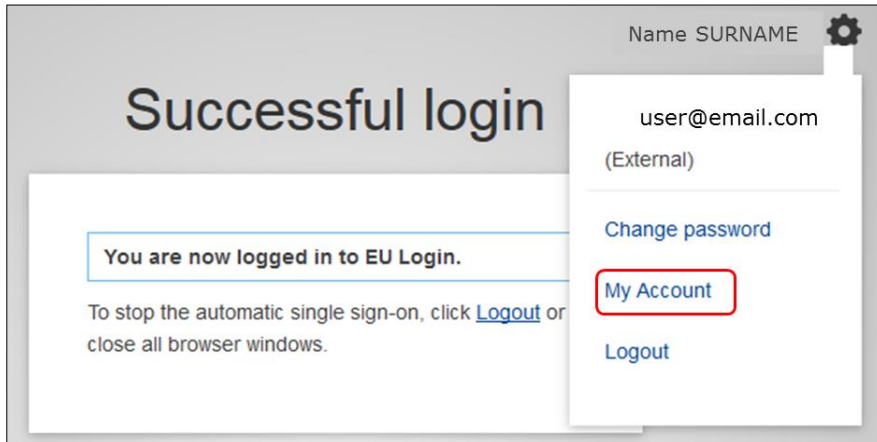

Help (Frequently asked questions)

If you need help or need to check the frequently asked questions, click on the **Help** hyperlink at the bottom of the page.

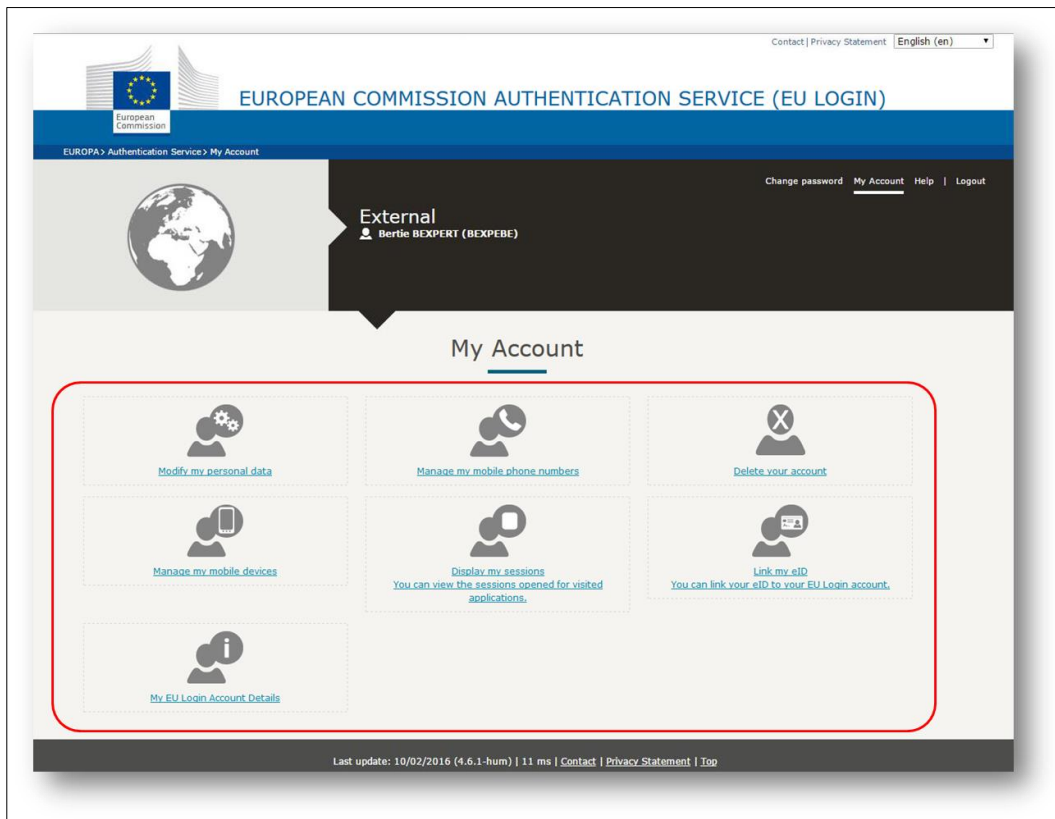

The screenshot displays the EU login interface. At the top left, it says "EU login - One account, many EU services". On the top right, there is a yellow button labeled "Where is ECAS?", a language selector set to "English (en)", and a dropdown arrow. The main heading is "Sign in to continue". Below this, there is a form with the label "Use your e-mail address" and an empty input field. A blue "Next" button is positioned below the input field. Underneath the button is a blue link that says "Create an account". A horizontal line with the word "Or" in the center separates this from the social media options. There are three buttons for social media: "Facebook" (blue), "Twitter" (light blue), and "Google" (red). Below these is the text "Or use the eID of your country" and a teal button labeled "Select your country". The footer is dark blue and contains several links: "About EU Login", "Cookies", "Privacy Statement", "Contact", and "Help" (which is circled in red). To the right of the footer are the European Union flag, the text "European Commission", and "Powered by". At the bottom center, there is a small text string "4.10.0-d2d | 61 ms".

"EU Login" Account Details

To access your EU Login account details, click on the settings icon in the upper right corner and select **My Account** from the drop-down list.

The **My Account** page opens. Here you can choose a number of options to edit your account details.

Click on **Modify my personal data** to edit your personal details. Here you can amend your personal information, email address and email language. If you change your email address, please also remember to inform the National Agency or DG EAC or person responsible for providing you access to a DG EAC IT

Tool.
