Profile of participants: VET Schools, VET providers, professional associations, enterprises, public bodies, sectoral organisations, ...

Themes and goals of the event: The final report of the NETWBL-project (http://www.net-wbl.eu/?page_id=122) has highlighted further areas of interest to be addressed through future Erasmus+ Programme projects promoting the development, dissemination and mainstreaming of effective work-based learning models and schemes across European VET systems. Furthermore the VET-priorities 2017 for Strategic Partnerships have work based learning as one of the themes. The contact seminar will provide a platform for organisations to develop ideas for Strategic Partnerships on this theme to be submitted in 2018.

Expected results: Networking that will result in new project proposals for Erasmus+ Strategic Partnerships, gaining knowledge on the topic of work based learning in initial and continuous VET.
