➔ **VERY GOOD:** application addresses all relevant aspects of the criterion in question convincingly and successfully; the answer provides all the information and evidence needed and there are no concerns or areas of weakness.

➔ **GOOD:** application addresses the criterion well, although some small improvements could be made; the answer gives clear information on all, or nearly all, of the evidence needed.

➔ **WEAK:** application fails to address the criterion or cannot be judged due to missing or incomplete information; the answer does not address the question asked, or gives very little relevant information.

➔ **FAIR:** application broadly addresses the criterion, but there are some weaknesses; the answer gives some relevant information, but there are several areas where detail is lacking or the information is unclear.
