Starting date of the event: 01/02/2018**Ending date of the event:** 02/02/2018**Event venue (city, country):** Stockholm, Sweden**Working language:** English**Number of places in total:** 75**Profile of participants:** All types of organisations aiming at realising a KA2-partnership, (201 or 229), in targeting the pre-school field. The profile of the participants would preferably be pre-primary school leaders and teachers, regional authorities, school boards (e.g. municipalities), research and resources centers, teacher training institutions and other stakeholders.

Themes and goals of the event:

Quality in Early Childhood Education and Care is one of the major priorities within the Erasmus+ strategic partnership action. The contact seminar and workshop aim at producing project ideas and project proposals for strategic partnerships in the school field. During the two-day seminar, participants will have the chance to network, learn, share ideas and practices from European colleagues and to set up a partnership.

Expected results:

Participants will have acquired enough knowledge about the programme in order to be able to form an application together with partners. In the process of information by experts at seminars and training in workshops they will get all necessary support to find partners, to work out concrete project ideas and to prepare the project application.

Programme of event: (a draft programme will be sent out on December 20)

NB: There will be a possibility (optional) to visit a Swedish pre-school on the day before the seminar, i.e. on the January 31.
